DEC 4 1952

MEMORANDUM FOR: Director Central Intelligence

SUBJECT: [REDACTED]

1. It is requested that [REDACTED] be approved for employment as a consultant by the Chief, Political and Psychological Warfare Staff.

2. Subject is an authority on current developments in the various fields of scientific research. Biographic information is included as an attachment to this memorandum.

3. He will serve as consultant in connection with a panel that is being established to analyze our current political and psychological warfare effort and make recommendations concerning future efforts in this field. [REDACTED] will be able to advise the panel on the applicability of current scientific research to the proposed political and psychological cold war efforts.

4. There are no other Agency consultants familiar enough with the overall national scientific research effort to advise the panel.

5. It is estimated that subject will be used approximately 30 to 45 days during the next two months and compensation will be at the rate of \$42.00 per day.

6. A full staff clearance was granted to [REDACTED] August 20, 1951.

MEMORANDUM FOR: GENERAL SMITH

STAT

Tracy Barnes, Chief P&P, requests that [redacted] be approved as a consultant to the P&P Staff. He will work with a panel that is being established to analyze our political and psychological warfare effort, advising on current scientific research. There is no other Agency consultant capable of handling this. He will be used 30-45 days during the next two months at \$42 per day. He was cleared August 20, 1951. Shannon and Wisner concur.
